Rough Guides : The Rough Guide to Lisbon Map 2 (Rough Guide Country/Region Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rough Guide to Lisbon Map 2 (Rough Guide Country/Region Map):

3 of 3 people found the following review helpful. Great Map, Buy ItBy W. BertI used this map for my six day trip to Lisbon during late November 2010. Far better than the map you get for free from the Lisbon Tourist Office. I fold it and unfold it so many times it should have fallen to pieces by now but it is in original condition. You can write on it and it has some protection from water. It was raining one day and got the map a little wet. Wipe off the water still in good condition. The map is such a good condition, I put it away and use it again for my next Lisbon Trip. I will add the map has the tram routes, also the bus routes too.
