The Rough Guide Map Madrid is the indestructible and essential companion to this lively and vibrant city. The map provides a highly legible guide to the city's streets, pinpointing places of note for the first-time visitor as well as hidden gems for frequent visitors. More than just a map, there are listings of the best places to stay, eat and drink, as researched by the Rough Guide to Madrid author. There is also a full street index and a "Time Map" outlining opening hours to help plan your day and avoid wasted trips to closed attractions. There is also a comprehensive public transport map to help the visitor master the network of metro lines and bus routes.
