Jan Dodd : The Rough Guide to the Dordogne the Lot (Including Bordeaux and its Vineyards) [Rough Guide Travel Guides] before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rough Guide to the Dordogne the Lot (Including Bordeaux and its Vineyards) [Rough Guide Travel Guides]:

3 of 3 people found the following review helpful. Rough Guide made two wonderful trips possibleBy Chris N.

MorfasI used a 2004(?) version of the book to plan two fabulous trips to the Dordogne, one in 2005, the other in 2008. Both times I traveled with Cyclomundo on bicycle tours of the region, but on the second trip I planned our itinerary. The hotel, restaurant and logistical info from Rough Guide was spot-on. The amount of info was impressive, yet the book was eminently readable; In fact, my copy is almost worn out from reading it at home while I plan the next trip! Furthermore, the tone--direct but casual-- was to my liking. This book is a winner.

This guide to the Dordogne and the Lot features coverage of diverse sites (cave paintings to abbeys), details of regional activities, and reviews of the best places to stay, eat and drink in all price ranges, from campsites to chateaux.

About the AuthorJan Dodd is the author of "The Rough Guide to Japan" - winner of the 1999 Travelex Guidebook of the Year Award. She has also written or co-authored the Rough Guides to Tokyo, Vietnam and France.
