James McConnachie : The Rough Guide to The Loire (Rough Guide Travel Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rough Guide to The Loire (Rough Guide Travel Guides):

2 of 5 people found the following review helpful. don't botherBy MonsieurRichardThis book is very un-informational. I wasted my money on this when I was planning my trip.

The brand-new Rough Guide to The Loire is the essential guide to one of France's most popular regions. A World Heritage Site, The Loire is famed for its soft, fertile countryside and a marvellous parade of châteaux. The main section of the guide has informed accounts of every attraction from the fascinating troglodyte dwellings carved out of rock-faces around Saumur to the compelling gardens at Villandry. The listings tell you where to find the best wines, the tastiest goat's cheese and the most interesting places to stay. There are maps and plans throughout and a full-colour introductory section listing the author's favourite "things not to miss". In the contexts section there is detailed background on the region's culture, cuisine, wine, festivals and history.

About the Author James McConnachie is a writer and photographer from London. He started out working for Rough Guides in Italy, but now specializes in France - he is a contributor to the Rough Guide to France and co-author of Rough Guides to Paris and Nepal.
