THE ROUGH GUIDE is by far my favorite. I am not interested in the fancy books w/colorful photos. RG is informative, accurate includes lodging/sights/ristoranti that aren't just 4-star+ rated (mostly overrated IMHO). I purchase a replacement book each time a new edition is published.12 of 13 people found the following review helpful. Personal Tour GuideBy S HahnWe just returned from Tuscany Umbria and used a friend's Rough Guide to Tuscany Umbria 5. It was indispensable! User-friendly and entertaining - plus great recommendations for restaurants, pizza, gelato, etc.
