**Jonathan Buckley : The Rough Guides' Florence Directions 1 (Rough Guide Directions)** before purchasing it in

order to gauge whether or not it would be worth my time, and all praised The Rough Guides' Florence Directions 1 (Rough Guide Directions):

0 of 0 people found the following review helpful. The Rough Guides' Florence Directions 1 (Rough Guide Directions) By Rodianne Bonnici It is a great book and with many information. What is missing are some maps that you will need when you are there.

Slim, stylish and pocketable, Florence Directions is full of ideas for stop-overs, long-weekends and flying visits to one of Italy's most popular city break destinations, richly illustrated with hundreds of specially commissioned photos. The full-colour introduction features 28 themed spreads - from the city's frescos to the pick of the wine bars, among the best in all of Italy. The main section of the guide, "Places", gives a district-by-district account of the accommodation, sights, restaurants, shops, transport links and nightlife - all generously illustrated. Every listing and review is pinpointed on accompanying user-friendly maps.

About the Author Jonathan Buckley is author of Rough Guides to Venice and Tuscany Umbria and has three published novels, "The Biography of Thomas Lang", "Xerxes" and "Ghost MacIndoe".
