Emma Gregg, Rough Guides : The Rough Guides' Lanzarote Directions (Rough Guide Directions) before

purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rough Guides' Lanzarote Directions (Rough Guide Directions):

Up-beat and opinionated, Lanzarote and Fuerteventura Directions has all you need to get the most out of your trip to the islands. Glorious beaches, world-class windsurfing spots and the famous volcanoes are covered in detail, as are the stunning visitor attractions created by influential Lanzarotean artist César Manrique. The guide's hand-picked accommodation and eating recommendations cover all the main resorts and inland villages, revealing plenty of hidden gems, such as tucked-away gourmet restaurants, beautiful coastal villas and charmingly rustic hotels. All are indicated on a series of useful maps. With a full-colour section packed with suggestions for things to do and see, from scenic hikes to quirky fiestas, you'll never be stuck for ideas.
