Phil Lee : The Rough Guides' Mallorca Directions 1 (Rough Guide Directions) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rough Guides' Mallorca Directions 1 (Rough Guide Directions):

Slim, stylish and pocketable, Mallorca Directions is full of ideas for a holiday on one of the Mediterranean's most popular islands, richly illustrated with hundreds of specially commissioned photos. The full-colour introduction features 19 themed spreads – including the best beaches to inland attractions, museums, restaurants and cafés. The main section of the guide gives an area-by-area account of the sights, restaurants, hotels, transport, shops and nightlife – all supported by evocative photographs. There are detailed maps of each chapter area and all the main resorts, in which every listing and review is pinpointed.
