Martin Dunford : The Rough Guides' Rome Directions 1 (Rough Guide Directions) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rough Guides' Rome Directions 1 (Rough Guide Directions):

Slim, stylish and pocketable, Rome Directions is full of ideas for stop-overs, long-weekends and flying visits to one of Europe's most popular city break destinations, richly illustrated with hundreds of specially commissioned photos. The full-colour introduction features 28 themed spreads - from shopping and designer bars to Panoramic Rome and Best ice cream. The main section of the guide, "Places", gives a district-by-district account of the sights, restaurants, shops, transport links and nightlife - all generously illustrated. Every listing and review is pinpointed on accompanying user-friendly maps. It's like having a local friend plan your trip.

About the Author Martin Dunford is co-founder of the Rough Guides and in addition to Rome he is author of Rough Guides to New York, Belgium, Brussels, Holland, Amsterdam and Italy.
