James Penrith, Deborah Penrith : The Scottish Islands - Orkney Shetland before purchasing it in order to gage whether or not it would be worth my time, and all praised The Scottish Islands - Orkney Shetland:

2 of 2 people found the following review helpful. Good information on Orkney sites By Stefanie While you'll still need to use the Internet to look up things that change frequently like current rates for hotels or bed breakfasts, and admission rates to the sights, this book provides good information about things to see and do in Orkney. I bought it to bring on a recent trip to Orkney as a backup in case I couldn't find a place to get on the Internet once I got there, and was glad that I did.

The third edition of the leading guide to these mystical islands to the far north of Britain. Orkney and Shetland together consist of more than 170 islands and islets and have breathtaking scenery and beaches and much to offer the discerning visitor. Nature lovers will find wild flowers, some of which are found nowhere else on earth, marine wildlife including whales, dolphins and otters, and birds including merlins, skuas, puffins, fulmars and kittiwakes. Those interested in history will find the richest archaeological legacy in the British Isles, including ancient stone circles, standing stones, burial chambers and Viking treasures.

If you like festivals, castles and great places to stay, this is for you. --Caravan Magazine Leads you to the sights that might otherwise be missed. --Which Caravan Magazine About the Author Husband and wife writing team and travel specialists James and Deborah Penrith recently relocated from South Africa to England's Lake District.
