**Susan Hill : The Spirit of the Cotswolds** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spirit of the Cotswolds:

1 of 1 people found the following review helpful. Fun book to read. By Louisa May What fun to read about one of our favorite places in the world. Susan Hill delighted us with her pictures and thoughts of places we recently visited and love. Her experience is wide and this book it great to revisit the cotswold, to aid in planning a trip there or for a trip to the honey colored English country villages without leaving your comfy chair. Have a ball! with a well written great book. 0 of 0 people found the following review helpful. Five Stars By Pam Lovely book. 0 of 0 people found the following review helpful. Five Stars By Thomas C. A decription of many of the major tourist centres in the Cotswolds such as Broadway and Burford, praising unsung villages and quiet places.
