From Brand: Low Pressure Ltd : The Stormrider Surf Guide Europe (English and French Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Stormrider Surf Guide Europe (English and French Edition):

0 of 0 people found the following review helpful. Five Stars By linda This was a gift for my boyfriend who has been surfing for 50 years, he loves this book
0 of 0 people found the following review helpful. Five Stars By Customer The first one I ordered was missing pages but the second one was perfect
0 of 0 people found the following review helpful. Great book for a surf trip through Europe By jimbojames Great book for a surf trip through Europe. Tip: don't paddle out at Mundaka during high tide even when it's good size. It doesn't break. Time your session accordingly. Awesome wave.

By popular demand The Stormrider Surf Guide Europe is back in one huge, mind-blowing book. Much like a

traditional bible, it seems surfers want both testaments in one place, so "The Continent and Atlantic Islands" books have been combined into 400 pages of pure surf stoke. The Stormrider Surf Guide Europe has been fully revised and includes detailed information covering The Surf, Ocean Environment and Surf Culture on a country by country basis. The Surf outlines where to go and when to go and demystifies the entire European coastline. Ocean Environment deals with pollution, erosion, access and hazards, while Surf Culture illuminates the surf scene including history, surf media, contests and localism. The indispensable travelling information is concise plus there's links to all the latest oceanographic and swell forecasting resources. The entire coastline is accurately mapped in detail, showing where to find the main surfing breaks. Each surf break report outlines how and where the waves break, quality, consistency and the general vibe. The unique Stormrider symbols reveal optimum wind, tide, swell size and direction, as well as wave type and bottom contour. Crowds, hazards, dangerous sea-life, pollution, access and environmental problems are also noted. A picture tells a thousand words so there are hundreds of the best photos of European surf ever compiled. Stunning images in crisp colour from the cream of the world's surf photographers and that extra dimension that makes The Stormrider Surf Guide Europe the most detailed surf guide money can buy.

"In a word amazing!" - Nick Carroll
