Excerpt from *The Stranger's Guide in Lisbon, or an Historical and Descriptive View of the City of Lisbon and Its Environs: With Notices of the Chief Places of Interest in Estremadura* The want of a small work serving as a guide to this Capital and its environs has long been felt and complained of by British visitors to Lisbon. The following *Stranger's Guide* is intended to supply in some measure this desideratum. - The object is to form such a compendium of the history, curiosities, antiquities and topography of Lisbon, as may combine accurate and ample information with suitable brevity.
