David Sharp : The Thames Path (National Trail Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Thames Path (National Trail Guide):

0 of 0 people found the following review helpful. Well worth the costBy Molesey ThamesPeople purchasing this book are obviously looking for specific and useable information. It is a very good resource for preparing to make this trek

and would be very valuable as a resource on the actual journey, yet to be taken by this reviewer, but I will have it with me when I do.

Running for 180 miles (288 km) from the river's source in rural Gloucestershire to the Thames barrier, the Thames Path is England's newest National Trail and one of the most varied and accessible of the country's long-distance paths. The Countryside Agency's acorn waymarks lead the walker through tranquil water meadows, past the dreaming spires of Oxford and the pageantry of Windsor and Hampton Court, through the heart of the capital, to London's Docklands and beyond. This is the official guide to the Path and will be invaluable to the long-distance walker and weekend stroller alike.

From the PublisherRunning for 180 miles, from the river's source in rural Gloucestershire to the Thames Barrier, the Thames Path is England's newest National Trail and one of the most varied and accessible of the country's long-distance paths. Official waymarks lead the walker through tranquil water meadows, past the dreaming spires of Oxford and the pageantry of Windsor and Hampton Court, through the heart of the Capital, to London's Docklands and beyond. This is the official guide to the Path—an invaluable companion for the long-distance walker and stroller alike. It contains: the entire route split into convenient sections; detailed Ordnance Survey maps and a precise route description of each section; details of bus and train access to the route; and a wealth of color photos. Also available from the Recreational Path Guides series: *The London Loop* by David Sharp; *The Cotswold Way* by Anthony Burton; *The Dales Way* by Anthony Burton; *The Heart of England Way* by Richard Sale and *The West Highland Way* by Anthony Burton.
