Hans Christian Andersen (1805 1875) was a Danish fairy tale writer, and poet noted for his children's stories. During his lifetime he was acclaimed for having delighted children worldwide, and was feted by royalty. His poetry and stories have been translated into more than 150 languages. Andersens fairy tales of fantasy with moral lessons are popular with children and adults all over the world, and they also contain autobiographical details of the man himself. The Traveling Companion is a literary fairy tale by Hans Christian Andersen first published by C. A. Reitzel on 16 December 1835 in Copenhagen, Denmark with "The Naughty Boy" and "Thumbelina" in the second installment of Fairy Tales Told for Children. This children's e-book is fully illustrated all-color. Young readers will love the

charming all-color illustrations, while parents will appreciate the moral at the end of the story. The beautiful illustrations will captivate your child's imagination and bring them back to read it over again and again.
