**Roy Elston : The Traveller's Handbook to Normandy and Brittany** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Traveller's Handbook to Normandy and Brittany:

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing many of these classic works in affordable, high quality, modern editions,

using the original text and artwork.
