Alexxandro Cecchi, Antonio Natali, Caterina Caneva, Alessandro Cecchi : The Uffizi: Guide to the Collections and Catalogue of All Paintings before purchasing it in order to gage whether or not it would be worth my time, and all praised The Uffizi: Guide to the Collections and Catalogue of All Paintings:

1 of 1 people found the following review helpful. Just OKBy CustomerNot what I expected. This looks more like a book you would find at the bottom of a bargain bin. I thought I would be receiving a coffee table book depicting a comprehensive art collection. What I got was very slim volume showcasing a few of the masterpieces of art that finds in the Uffizi. That stated, what is referenced in the book is presented well.
