Editors of Survival Books : The Wines of Spain before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wines of Spain:

Required reading for wine lovers and the most comprehensive source of information available about Spanish wines, both for the committed connoisseur and the novice wine lover. These are exciting times to be studying and drinking Spanish wines and the country now makes as many different styles of wine as any country, with the best able to hold their own in any company. Contains a complete survey of all Spain's wine regions, including information about the

grapes used, bodegas and recommended wines.
