Martin Lawrence : The Yachtsman's Pilot: Skye Northwest Scotland, 2nd ed. (Yachtsmann's Pilot) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Yachtsman's Pilot: Skye Northwest Scotland, 2nd ed. (Yachtsmann's Pilot):

This pilot covers the most remote areas of the west coast of Scotland between Ardnamurchan Point and Cape Wrath

and the Island of Skye. Martin Lawrence has completely revised the text and for this edition has added new photographs taken from both the air and sea. The most significant improvement is the use of full colour throughout the work which brings a new clarity to the photographs and harbour plans. MARTIN LAWRENCE who has spent many years sailing on the West Coast of Scotland, is a Fellow of the Royal Institute of Navigation. He is well-known as the author of the Yachtsman's Pilot series.
