Dennis Kelsall, Jan Kelsall : The Yorkshire Dales: South and West: Wharfedale, Littondale, Malhamdale, Dentdale and Ribblesdale (Cicerone Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Yorkshire Dales: South and West: Wharfedale, Littondale, Malhamdale, Dentdale and

Ribblesdale (Cicerone Guide):

As part of a two-volume set, this guidebook describes 44 walks covers the south and west regions of the Yorkshire Dales. This first volume covers the southern and western dales of Ribblesdale, Littondale, Malhamdale, Dentdale and Wharfedale, including the Yorkshire Three Peaks. Walks range from gentle 3 mile strolls to more strenuous 13 mile day-long rambles. The guide combines detailed route descriptions together with OS map extracts for every walk. It also includes information on points of interest along the way, as well as necessary practical information. This guide takes you on an exploration of the dales and surrounding hills and moors within the southern and western quarters of the region, where you will find some of the most remarkable limestone landscape in the country.

About the Author Dennis and Jan Kelsall are professional outdoor writers and photographers, contributing to various magazines and producing a weekly walking feature for the Lancashire Evening Post. They have a keen interest in the environment, its geology, flora and wildlife. Other titles produced by Dennis and Jan Kelsall and published by Cicerone are The Pembrokeshire Coastal Path, Walking in Pembrokeshire, and The Ribble Way.
