From CreateSpace Independent Publishing Platform : TheNomadStudent's Travels - Russia and Argentina by Jon Alvis (2013-06-22) before purchasing it in order to gage whether or not it would be worth my time, and all praised TheNomadStudent's Travels - Russia and Argentina by Jon Alvis (2013-06-22):

0 of 0 people found the following review helpful. An amazing tale of a British student's experiences in Russia and ArgentinaBy HanneTheNomadStudent's Travels is not just another book about a student traveling abroad. It's an intriguing tale of how a British student goes about spending his year abroad. This book tells tales about 'how Jon met some KGB members and got to learn Systema from them' and features helpful hints for all would-be NomadStudents or travelers like 'what not do to before getting on a long bus ride' (hint - it's don't drink alcohol).This book offers a lovely mix of insights in local culture, hints and tips for travel, and the occasional tale about drunken adventures. A must read, that gave me a case of wanderlust.
