Five StarsBy burtsbeeschicLove this series. Great read with the kids before our trip to Rome!2 of 2 people found the following review helpful. Charming and lovely gift!By Claudia FennerMy daughter was studying in Rome for the semester and I bought this book for her as a welcome home gift. She absolutely LOVED it!The pictures are adorable and the text is sweet.. truly a lovely memory of a wonderful trip.The whole series of Sasek book are classics that can be enjoyed by both young and old.

Like the other Sasek classics, this is a facsimile edition of the original book. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than 40 years later. Facts have been updated for the

21st-century, appearing on a "This is . . . Today" page at the back of the book. These charming illustrations, coupled with Sasek's witty, playful narrative, make for a perfect souvenir that will delight both children and their parents, many of whom will remember the series from their own childhoods. This is Rome, first published in 1960, traces the history of Roman civilization to bring to life the Rome of the 60's. Sasek navigates Rome's busy, winding streets to visit such glorious historical landmarks as the statues of Michelangelo, Vatican City, the Pantheon, and the Fontana di Trevi-and to show us the eccentricities of modern Roman life, from its colorful trains, trams, and taxis to its chic espresso bars and pasta houses.

"Very little can match the pleasure of first discovering that, with the right book, you can journey around the world from the comfort of your favorite armchair. ..Sasek's beloved series of children's travel books will easily evoke rambling urges in readers young and old alike, and stir up pleasant nostalgia in those experienced enough to have traveled to the places portrayed. We easily lost ourselves in the colorful world of This is Rome.." ~GayotAbout the AuthorM. Sasek was born in 1916 in Prague, Czechoslovakia. An author and illustrator, he is best remembered for his classic stories on the great cities of the world. He died in 1980.
