Martin Gostelow : This Way Andalusia before purchasing it in order to gage whether or not it would be worth my time, and all praised This Way Andalusia:

This guide offers information on the highlights of one of the most spectacular and geographically varied destinations of Spain's Iberian peninsula. Designed to provide the maximum of cultural, historical, and practical information in a minimum of space, this guide offers a variety of street, subway, and regional maps. From flamenco dancing and Moorish mosques to hospitable villages and timeworn coastlines, this reference is filled with valuable

recommendations and addresses for monuments, parks, markets, restaurants, and cafés.
