**JPM Publications : This Way Barcelona** before purchasing it in order to gage whether or not it would be worth my time, and all praised This Way Barcelona:

Each guide in the This Way series offers information on the highlights of not only the world's most popular tourist regions, but also more unusual destinations such as Budapest, Morocco, and Syria. Designed to provide the maximum of cultural, historical, and practical information in a minimum space, each guide offers a variety of street, subway, and regional maps. From cosmopolitan cities and towering skyscrapers to small villages and natural wonders, each guide is filled with valuable recommendations and addresses for monuments, parks, markets, restaurants, and cafés, whether

for a weekend getaway or an extended adventure.
