2 of 2 people found the following review helpful. A neat sculpture journey through Naples, FLBy S. SelbyWith stunning photography, and thoughtful narrative, this book is a must-see for those travelling to Naples, FL and for the inquisitive souls that already live there. I appreciated the time the author took out to find the history behind the sculptures. She also describes where each sculpture is located, so you aren't just invited in to be left hanging. I have been to Naples many times in my life, and our family has always been interested in various sculptures dispersed throughout the town.This book is an excellent way to explore Naples, treat it as a tour guide, as you enter a journey through Naples, FL. The search for the various sculptures provides an interesting way to entertain friends family. Plus you get a little behind the scenes, as you learn about new artists you may not have known before.This is a terrific find!

Welcome to Naples, where culture and lore are sprinkled throughout the city and housed within each of its remarkable outdoor sculptures. You should find in this publication an amusing and educational introduction to Naples' outdoor sculptures spiced with idioms, quotes, facts, and history. These public contributions not only tell a story but remind us to stop and look at life from a different angle every now and then. We are so fortunate to live in such a city that is an epicenter for artistic energy and so adored and adorned by highly creative individuals.
