**D. W. Bauer : Three Extraordinary Women of Ukraine and One Foolish Man** before purchasing it in order to gage whether or not it would be worth my time, and all praised Three Extraordinary Women of Ukraine and One Foolish Man:

5 of 5 people found the following review helpful. It all sounds like a big scam to me and he's getting screwed ...By doobby574Having to hear about his experience taking a dump in a hole while in the Ukraine was a bit too much information for me. I also have a hard time believing these women (super model looks apparently) are truly interested

in a dude from Minnesota who admits to not making a ton of money, considers "dressing up" to mean a MN Vikings sweatshirt, and based on his picture, is very average looking (sorry - just being honest). These women are not showing him any real interest - especially when he travels there to meet them. It all sounds like a big scam to me and he's getting screwed - and not in a good way! Lastly the writing and the structure of the book leave much to be desired. I'm all for self-publishing but this seems to be done at a very amateurish level. Good luck dude - sure hope you find love with someone who is actually attainable!

1 of 1 people found the following review helpful. So I highly recommend this book to anybody considering to sign up with ...By John Humel I had suspected all along that those Russian Brides advertisements were a fraud. After reading Mr. Bauer's book I cancelled the memberships I had in those services. Mr. Bauer saved me thousands of dollars as I had never trusted those services to begin with. So I highly recommend this book to anybody considering to sign up with a overseas dating agency. Save yourself a lot of aggravation, heartache and money. Read the facts.

0 of 0 people found the following review helpful. A Snapshot of Life and Love

By CustomerA fantastic expose of the trials and tribulations of a newly-single man on his quest for adventure. When you crack this book you immerse yourself in the journey the author lays out to bare on the pages before you. The book is filled with prose that simultaneously paints an elaborate portrait of encounters gone wonderfully as well as awry, yet leaves the reader with the impression that more is left unsaid than said. Mr. Bauer takes his readers to the edge of understanding, and leaves them wanting more. His writing is styled from his point of view, but the reader cannot help but imagine him or herself walking those same paths in life, or facing those same decisions. Overall a captivating read, buckle up for the Ukrainian wonders of the world.

Do you ever wonder about the single women of Ukraine? Are they real? Are the websites serious? Are these women really looking for love? D.W. Bauer's experiences tell him "yes." *Three Extraordinary Women of Ukraine and One Foolish Man* is a memoir of D.W.'s journey in international internet dating. After a 12-year marriage ends, he experiences the thrill of meeting beautiful women online, the wonder of learning a different culture, and the excitement of a trip to Ukraine during a civil war. Throughout the story, he candidly shares his observations, foolish moments, and joys as he successfully moves from the fantasy of the internet to real world relationships.

About the Author D.W. Bauer lives in the Twin Cities of Minnesota. He primarily works as a licensed soil scientist, keeping Minnesota waters clean from erosion and stormwater pollution. Outside of that job, D.W. writes and produces independent film. With others, he created and directs the award-winning cable access and internet talk show, *Off Constantly*.
