Gerardo Brown-Manrique : Ticino Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ticino Guide:

3 of 4 people found the following review helpful. Ticino Guide By snobird391 found the title "Ticino Guide" to be

misleading. My expectation is that this would be a travelogue of the Ticino Canton with a cultural history of each town, best places to eat, sites to see, etc. Instead Ticino Guide is an architectural tour of Ticino.

The Guidebook features the work of Mario Botta, Mario Campi, Tito Carloni, Aurelio Galfetti, Vittorio Gregotti, Rudy Hunziker, Vittorio Introini, Claudio Pellegrini, Aldo Rossi, Luca Scacchetti, Luigi Snozzi, and Livio Vacchini.
