Thomas Cook Publishing : Time for Food: Edinburgh before purchasing it in order to gage whether or not it would be worth my time, and all praised Time for Food: Edinburgh:

Time for Food Edinburgh covers a whole spectrum of good value places to eat such as sophisticated restaurants, street

cafes, lively bars, bustling markets, gourmet temples or picnic spots. Included are independent choices of restaurants, cafes, pubs and bars, buying food tips - our pick of markets, shops and delis, plus features on the local cuisine, recipes and a menu decoder. Time for Food guides are designed to help you find interesting and enjoyable places to eat in the world's main tourist destinations. Each guide divides the destination into eight areas. Each area has a map, followed by a selection of the restaurants, cafes, bars, pubs and food markets in that area.
