**From Time Out : Time Out 1000 Things To Do In London For Under £10** before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out 1000 Things To Do In London For Under £10:

Inspirational ideas for what to do in the capital, all of them costing £10 or less - with many costing nothing at all. Enjoy big club nights; try martial arts or hula hooping; play bike polo or hunt for classic vintage couture; drink quality champagne or hear world-class music. Including well-known Londoners listing their top ten things to do in the capital and packed with photos and specially commissioned illustrations, this book can be used as a travel guide or just for a

perfect armchair read. From once-in-a-lifetime experiences to everyday pleasures, there's always more to be discovered, without breaking the bank.

About the Author All Time Out Guides are written by local experts with a passionate connection to the very best of their cities.
