From Brand: Time Out : Time Out Andalucia (Time Out Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Andalucia (Time Out Guides):

1 of 1 people found the following review helpful. Travel Guide to Andalucia, SpainBy D. StichickA very important and informative guide. It is also interesting to read, has great information even for those familiar with the area.

For millennia southern Spain has been perceived as a promised land. From Phoenician traders to Moorish invaders to

today's northern European occupiers of the Costa del Sol, this extraordinarily varied region has offered the lure of beaches and mountains, classic cities and cutesy villages, magnificent deserts, vast forests and fertile plains - and a balmy climate that is the envy of the rest of the continent. Time Out Andalucia presents the full picture of this country within a province, giving an insider's view of its cultural and natural riches, but not shrinking from telling it like it is when confronting the environmental and aesthetic disasters that have afflicted much of the coastline. Time Out's expertise in city guides is fully exploited in the in-depth coverage of Andalucia's incomparable cities - light-hearted Malaga, wistful Cadiz, regal Cordoba, grave Granada and joyous Sevilla. Yet the guide also includes unparalleled coverage of Andalucia's lesser-known corners, such as the provinces of Almeria, Jaen and Huelva.

"'This has to be the guide to take along for the ride.' Anthony Sattin, Sunday Times; 'Information on everything from gypsies to flamenco to tapas and sherry, liberally peppered with all the quirky extras for which Time Out is well known.' The Observer"
