0 of 1 people found the following review helpful. Great guide By Stephen Lum Detailed, great maps, good information...5 stars I highly recommend the paella at Set Portes.

An endless cycle of festivals, with extraordinary architecture and a perfect climate as a backdrop, make Barcelona the most exuberant of cities. There's something for everyone, from world class restaurants, museums and beaches to a street-life second to none. As well as the party scene, the guide gives an in-depth view of the essentials: where to stay, where to eat, where to shop and what to see.
