I bought four books on Spain because I couldn't decide,and the Time Out guide was by far the most useful and informative, and comprehensive book. It was indispensible. In fact, when we were in other cities in Spainwe were wishing that Time Out had also made guides for

those cities too. All the restaurants we ate at were amazing, and for the most part the info was accurate. The book has lots of color pictures and gives details on how to get where you are going. Oh yeah, the BEST, most USEFUL thing was that they had a bunch of different maps in the back of the book, and on any particular entry (say, a restaurant), they would give the page and the coordinates of where that restaurant could be found on the map, as well as the closest metro stop. It was great! Highly recommend this book and will be sure to buy other Time Out guides next time we travel. 3 of 4 people found the following review helpful. There's simply no substitute for Time Out. By a reader
The Barcelona city information is thoroughly updated every year; the restaurant picks are naughty, opinionated and don't sound like a PR pitch; the writers are not afraid to point out any pitfalls or negative aspects of any particular experience; the various maps are clear; the guided city walks take all the effort out of exploring the city and the style in general is witty, erudite and a pleasure to read. What more can I say? Time Out Barcelona has no equal. 1 of 1 people found the following review helpful. EXCELLENT!! By A Customer
I just got back from Spain, and this guide was amazing. I highly recommend you check out their picks for top restaurants, I think they were very well chosen. The maps were excellent, and very helpful. This is the guide to take to Barcelona!

An endless cycle of festivals, with extraordinary architecture and a good climate as a backdrop, make Barcelona an exuberant city. It has something for everyone, from world-class restaurants, museums and beaches to a lively street-life. This guide provides an in-depth view of Barcelona and advises on where to stay, where to eat, where to shop and what to see.
