**From Time Out : Time Out Edinburgh: And the Best of Glasgow (Time Out Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Edinburgh: And the Best of Glasgow (Time Out Guides):

With its medieval architecture, underground caverns, and imposing skyscape, Edinburgh has long been a favorite of

visitors intrigued by history and natural beauty. Time Out Edinburgh takes travelers into the city's core, from its ancient alleyways to the new waterfront development. Unbiased reviews, written by Time Out's team of local journalists, dish on where to dine, shop, drink, and dance like a native. Glasgow and surrounding towns are also explored, as well as suggested day-trips.

About the AuthorFounded in 1968, Time Out has grown from humble beginnings into the leading resource for anyone wanting to know what's happening in the world's greatest cities. Alongside our influential weeklies in London, New York, Chicago and Dubai, we publish more than 20 magazines in cities as varied as Beijing and Beirut; a range of travel books, with City Guides now joined by pocket-sized Shortlist series; and an information-packed website. The company remains proudly independent, still owned by Tony Elliott four decades after he launched Time Out London. Written by local experts, and illustrated with original photography, our books also retain their independence. No business has been featured because it has advertised, and all restaurants and bars are visited and reviewed anonymously.
