From Brand: Time Out : Time Out Edinburgh: Glasgow, Lothian, and Fife (Time Out Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Edinburgh: Glasgow, Lothian, and Fife (Time Out Guides):

With its underground caverns, ancient castle and imposing skyline, Edinburgh has long been a city steeped in the past. Now, thanks in part to a cash and confidence injection from both devolution and slew of high profile media events, Scotland's capital has shimmied right into the modern age. This fourth edition of the Time Out Edinburgh Guide has been completely revised and updated. Local writers take you down the cobbled alleys of the Old Town, through ultra chic bars of the New Town and right out to the tranquil beaches of Gullane. The guide looks past the Athens of the North to explore Glasgow's edgy charms, road-tests the ever-popular distillery tours and offers tips on visiting the Highlands.
