From Time Out Guides Ltd : Time Out Edinburgh (Time Out Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Edinburgh (Time Out Guides):

Edinburgh has long lived in the shadow of many of the premier cities of Europe, but tourism continues to rise dramatically every year. With its underground caverns, Edinburgh Castle and imposing skyscape, it has long been a

favorite of visitors intrigued by history and natural beauty. The experts at Time Out take you down the compact alleyways to the new waterfront development, recommending stops along the way from literary pubs to antique stores. Time Out's local journalists tell you where to dine and shop, as well as where to find the best Ceilidhs (kay lays) for music and dance. Glasgow and surrounding towns are also explored, as well as suggested day trips.

About the Author All Time Out Guides are written by a team of local journalists.
