Florence City Guide from the publishers at Time Out is a free NetGalley ebook that I read in late July. Similar to the Time Out guide that I reviewed for the city of Barcelona, 'Firenze' is described by what you Explore, Experience, Understand, and Plan with special focus of art, museums, and historical architecture. What caught my eye (aside from the over-saturated, overcast photos) was how hazardous and threatening tourist ecology can be to historic places (overcrowding, pollution, and the amount of people walking on pavement at any one time). 0 of 0 people found the following review helpful. Absolutely beautifully presented guidebook By Liz Davies Absolutely beautifully presented guidebook. Photographs are amazing and the information is well laid out and really clear. Loads of helpful insider tips and suggestions for places to visit, shop and eat plus great advice on local transport around the city. Good section on travel safety for lone women and plenty of top recommendations for eating and accommodation no matter what your budget. The city map is really helpful and the suggested itineraries are a great starting point for planning your own activities.

About the Guide The cradle of the Italian Renaissance is unrivalled in the breadth of its artistic treasures. Florence has the greatest collection of Renaissance art in the world, and a character list that reads like a Who's Who of the period's greatest artists and thinkers - Dante, Leonardo, Michaelangelo - not to mention the powerful families who financed their work - the Medici and the Strozzi. Evidence of their lasting influence abounds today, including the discovery of a Leonardo fresco beneath a painting by Vasari, and the unearthing of Michaelangelo's plans for a church facade. Time Outs expert local authors cover Florences past and present with authoritative art history and their trademark appreciation of contemporary culture.

About the Author Time Out is, and always has been, your best friend in the city. Since 1968, we have enjoyed a love affair with cities, bringing our honest voice and hunger for discovery to over 100 cities across the globe. Today, Time Out is the leading global media and entertainment business that inspires and enables people to make the most of cities through content, curation and experiences. If you want to know about food, attractions, art, culture, shopping and nightlife, then Time Out is your social companion.
