From Time Out : Time Out Kent and Sussex (Time Out Kent Sussex) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Kent and Sussex (Time Out Kent Sussex):

1 of 1 people found the following review helpful. Not as I hopedBy Jane KuitemsLots of color photos, but difficult to plan a trip around your own interests since everything is laid out as "road trips" which include many things. I will leave it home when I travel.0 of 0 people found the following review helpful. Helpful and BeautifulBy dI prefer guide books that are overly descriptive and have lots of great photos. This book has both and I will probably buy more Time Out brand of guide books in the future. I also say - Skip London, go to Kent!0 of 0 people found the following review helpful. Good enoughBy MikeThis is a pretty standard travel guide--nothing special. The maps should be bigger and

more detailed but, other than that, it's ok.

Located about 40 minutes from London by train, in the southeastern corner of England, Kent is known as the Garden of England. The seaside towns are a major draw for families, and the iconic White Cliffs of Dover are not to be missed. There are museums, aquariums and a wide array of seaside town activities as well as numerous historic cathedral cities and country pubs. Sussex is located directly west of Kent and houses the newest national park, The South Downs, nature preserves and camping sites. The area is known as a magnet for artists, with numerous castles and stately homes that are open to the public.

About the AuthorTime Out is a multi-platform media and e-commerce business with a global content distribution network comprising magazines, online, mobile apps, mobile web and physical presence via live events and Time Out Market. With a presence in 107 cities and 39 countries, Time Out seeks to inspire and enable people to experience the best of a city through curated content around food, drink, music, theatre, art, style, travel and entertainment. By covering an exciting range of destinations, Time Out Guides help visitors to cities around the world get the most of their travels.
