**Time Out : Time Out Lisbon (Time Out Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Lisbon (Time Out Guides):

Beautifully laid out on seven hills overlooking the River Tejo and littered with monuments testifying to Portugal's former maritime glory, Lisbon is a sightseeing delight as well as a mecca for clubbers and party people in search of a

wild weekend. Written and researched by Lisbon residents, this awardwinning Time Out guide escorts you around the coffeehouses of the Chiado, the bars and restaurants of the Bairro Alto, the clubs of the Docas and Santa Apolonia, down into the city's deepest African and Brazilian dives and out to the finest beaches of the Caparica Coast.
