From Time Out : Time Out London Eating and Drinking Guide 2012 (Time Out London Eating Drinking) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Time Out London Eating and Drinking Guide 2012 (Time Out London Eating Drinking):

With over 1,500 reviews, the range of venues, which also includes food shops and cookery and wine classes, included here is unrivaled. Unlike other London eating guides that are based on public surveys, every establishment is visited anonymously by an experienced Time Out reviewer to provide an informed opinion you can trust. Time Out pays for all their meals making them completely independent from the competition and the restaurants do not pay to be

included in the guide. Detailed information for the discerning diner is included with every review, from the main course prices of a meal, to recommended house specialties, the quality of food, alfresco areas, ambiance, private dining facilities and which credit cards are accepted.
