This book covers car boot sales and charity shops as well as pointing out specialty shops.I like to shop on vacation so this is a great guide. It has also helped me work shopping into touring since I can note shops near the sights that aren't just souvenir shops.0 of 0 people found the following review helpful. Don't buy thisBy mmDon't bother with this. It is put out by MasterCard, so it is a corporate take on what works for them. I bought it used for a few dollars, so grateful I didn't spend the full retail price.1 of 2 people found the following review helpful.
