**From Time Out : Time Out London's Best Shops** before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out London's Best Shops:

Time Out London's Best Shops helps travelers navigate one of the most diverse, fascinating and bewildering centers in the world. It reviews the thousands of stand-out shops and services available, from multicultural street markets to deluxe department stores, mold-breaking fashion designers and ultramodern furniture shops to dusty antiquarian dens and second-hand bookstores, with an emphasis on independently-owned businesses. For ease of use, the content is divided into Fashion, Health and Beauty, Home, Leisure, Food and Drink, and Babies and Children sections, all

supplemented with features, boxes, and "Best of" selections.
