From Time Out : Time Out London Shops and Services 2008 (Time Out London Walks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out London Shops and Services 2008 (Time Out London Walks):

Thousands of London's exemplary shops and services are researched and reviewed in the 13th edition of this must-

have guide. The range is staggering, from multicultural street markets to deluxe department stores, edgy fashion designers and furniture shops to dusty antiquarian dens and second-hand bookstores. The book is handily divided into Fashion, Health and Beauty, Home, Leisure, Food and Drink, and Babies and Children sections, all supplemented with features, boxes and “best of” selections. *Time Out London Shops and Services 2008* makes it easy and fun to navigate one of the world’s most diverse — and daunting — retail centers.
