From Time Out : Time Out Naples (Time Out Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Naples (Time Out Guides):

Visit the San Carlo opera house, where Rossini and Donizetti triumphed, sip a caffè where Oscar Wilde and Enrique

Caruso used to lounge, eat a margharita pizza at the restaurant that created it and, with the help of this guide, find the best hotels, the coolest spas and some of the finest food in the whole of Italy. Time Out Naples city guide also takes you to areas outside Naples, including Capri, Pompeii, Sorrento and the Amalfi Coast. The revamped Time Out Guides retain the independence and local expertise that the series is known for, while adding more features to help the visitor navigate the city. Whether you have an action-packed 24 hours or a leisurely week in which to take it all in, these guides are more essential than ever.

About the Author All Time Out Guides are written by local experts with a passionate connection to the very best of their cities.
