From Time Out : Time Out Official Guide to London 2012 (Time Out London) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Official Guide to London 2012 (Time Out London):

0 of 0 people found the following review helpful. Good, not greatBy Mr. Photo DudeThe book covers a wide range of places but there isn't a logical rationale for why some hotels covered and others not. If this is your first time to London, I'd buy the Rick Steves' version first. It is simple but the best. This is good but I expected more coverage of the

Olympics and Diamond Jubilee. You pay for the color more than the insights. Still, it is nice to have a counter-opinion to Steves'.

The official London 2012 Olympic Games and Paralympic Games licensee for travel and tourism guides, Time Out has produced a 2012 edition of the London city guide that is the essential tool to help visitors plan where to go, how to get involved in the games, and what to do during the rest of their stay in London. The 20th edition helps visitors to navigate the 2,000-year-old city from the handful of musts to the thousands of eccentricities and particularities that give London its real flavor. The sheer size of London can make it a daunting place to explore, making this guide even more valuable to help with the navigation.

"However well you think you know London, this book will take you places you've never been." The Sunday Times
"Absolutely the best guidebook by miles, written by Londoners, used by locals and tourists." Sydney Morning Herald
About the Author
