This guide to Rome has been updated and revised by journalists who live and work in the city. It provides information on what to do and where to stay upon arrival, and gives a critical round-up of the sights. There is a complete history of

the city given, examining the lives of the ancient Romans and examining the world of modern Rome. The best bars, restaurants, gelaterias, clubs, cinemas, shops, markets and festivals are covered and there are full details of opening times, admission prices and transport.
