From Brand: Time Out : Time Out Shortlist Amsterdam before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Shortlist Amsterdam:

0 of 0 people found the following review helpful. Get the bigger Time Out book or most current magazine editionBy celinedionThis one's a little on the light side and recco's the same restaurants as everyone else. Map was only fair and unwieldy.On the other hand, it's often avail used for \$5 with the shipping, and if you just want an overview, it might

serve your needs. 1 of 1 people found the following review helpful. Good book to get you started By kjp This is a good book to get you started in Amsterdam. However, to find the unique Amsterdam spots you're going to have to find a local to show you the way. 1 of 1 people found the following review helpful. Great for a repeat visit By J. Stander This is a good, compact book with decent overviews of the Amsterdam neighborhoods and what to see/do/eat in each area. I was there for about a week and wasn't really interested in following the tourist circuit, so I was glad that the book has other suggestions on things to see and do. I relied more on the internet and word of mouth for restaurant and hotel recommendations, but we did try some of the places listed here and in general they were good. I would definitely recommend this book for those who are heading to Amsterdam for a repeat visit or are interested in less-touristy stuff.

Amsterdam, with its mild winters and cool summers, has a wide variety of attractions and activities for every type of traveler. Time Out's crack team of locals uncover the best of Europe's most charming — and naughtiest — capital. As well as covering visitor essentials, this guide helps readers navigate through the wide array of restaurants, "coffee shops," museums, and galleries, as well as explore the many side trip possibilities from quaint fishing villages to boat tours. A wealth of color photographs and illustrations, as well as maps, help visitors make the most of their trip.
