Editors of Time Out : Time Out Shortlist Barcelona 2009 before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Shortlist Barcelona 2009:

Unmatched in its enthusiasm for a good time, Barcelona, with its gorgeous Modernista architecture and perfectly

preserved medieval alleyways, barely has time to sweep the streets between rollicking festivals. This mini-guide, featuring color photographs and illustrations throughout, helps visitors capture the fun — whether it's a party on the beach, the heady club and bar scene, or more refined pursuits from gallery hopping to fine dining. In hundreds of frank reviews, local experts steer readers away from tourist traps and toward Barcelona's best in every category.
