From Time Out : Time Out Shortlist Barcelona 2012 before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Shortlist Barcelona 2012:

1 of 1 people found the following review helpful. Great pocket guide to BarcelonaBy MeredithThis book is small enough to stick in a coat pocket while you make your way around the city. Along with the helpful tourist site information, the restaurant recommendations were helpful and got us to new neighborhoods that we may not have

discovered otherwise. Overall, this book was very helpful and convenient, the maps are also much clearer than other similar books making it easy to match up to our larger street map when needed - highly recommended!

Time Out's resident team helps travelers get the best out of the Catalan capital, providing the inside track on local culture plus hundreds of independent venue reviews. As well as covering visitor essentials, the guide reveals the city's best kept secrets, known only to locals. Unparalleled in its enthusiasm for a good time, Barcelona barely has time to take down the bunting between its rollicking festivals. When there isn't an all-night fiesta happening on the street, there's more than likely a party on the beach and never any shortage of action in its clubs and bars. All of this takes place in a perfect climate and against a backdrop of mind-blowing Modernista architecture and a cityscape as varied as any. Gentler pursuits are also myriad; the city's museums have got it all covered from Picasso to perfume, its galleries are among the most avant-garde in Europe and its history is writ large in the churches and perfectly preserved medieval alleyways of the Barri.

"They're so up to date that even the locals will be asking you where it's at " Red "The Perfect Guide for any trip is the Time Out Shortlist. Colourful, bang up to date and not shy of giving honest reviews" Waterstone's Books Quarterly
About the Author
Founded in 1968, Time Out has grown from humble beginnings into the leading resource for anyone wanting to know what's happening in the world's greatest cities. Alongside our influential weeklies in London, New York, Chicago and Dubai, we publish more than 20 magazines in cities as varied as Beijing and Beirut; a range of travel books, with City Guides now joined by pocket-sized Shortlist series; and an information-packed website. The company remains proudly independent, still owned by Tony Elliott four decades after he launched Time Out London. Written by local experts, and illustrated with original photography, our books also retain their independence. No business has been featured because it has advertised, and all restaurants and bars are visited and reviewed anonymously.
