**From Time Out : Time Out Shortlist London 2010** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Time Out Shortlist London 2010:

With the 2012 Olympics looming, London is teeming with new energy. This compact yet comprehensive guide covers

all that's new and noteworthy in Britain's booming capital together with essential visitor information. It guides visitors to new museums and independent boutiques, down tourist-free historic alleys, through London's thriving club scene, and into its hottest pubs and restaurants. Handy area-by-area sections pinpoint top picks for eating, nightlife, and entertainment options. Also included are convenient area-by-area guides to the city, a full calendar of festivals and events for the year, by date, and an "Essential" selection, featuring Time Out's critical picks for the best places in a variety of categories.
