From imusti : Time Out Shortlist London 2015 before purchasing it in order to gage whether or not it would be worth my time, and all praised Time Out Shortlist London 2015:

3 of 3 people found the following review helpful. Worth buyingBy Jean C. ArthurI have relatives and friends in London so I am a frequent visitor and know the city well. Yet I still buy this book. Full of useful information about London and small enough to fit in your purse. One of the things I look for in a travel book is whether it tells you how

to get to a place. This one does.

Spread over more than 600 square miles, London can be a daunting city. Time Out Shortlist London 2015 is packed with inside information from the publishers of London's definitive weekly magazine. Written by a team of contributors who revel in their city, it is the best informed, most opinionated and freshest guide available.

They're so up to date that even the locals will be asking you where it's at--Red Magazine
